

PATENT APPLN. NO. 10/659,399
RESPONSE UNDER 37 C.F.R. § 1.116

PATENT
FINAL

REMARKS

Claim 2 has been amended to include the limitations of claim 10. Claim 10 has been cancelled. Such amendment is equivalent to rewriting claim 10 in independent form since claim 10 depends directly on claim 2. Claim 10 is only objected to in the Action as being dependent upon a rejected base claim and is indicated to be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. Therefore, claim 2 and the claims that depend directly or indirectly thereon, claims 4, 6, 8, 12, 14, 16, 18, 20, 22, 24 and 26, are now allowable.

In view of the current allowability of claims 2, 4, 6, 8, 12, 14, 16, 18, 20, 22, 24 and 26 and the indication in the Action that claims 1, 3, 5, 7, 11, 13, 15, 17, 19, 21, 21, 23 and 25 are allowed, the application is now in condition for allowance. A formal notice of allowability is respectfully solicited.

The foregoing is believed to be a complete and proper response to the Office Action dated February 8, 2005. If, however, minor issues remain that can be resolved by means of a telephone interview, the Examiner is respectfully requested to contact the undersigned attorney at the telephone number indicated below.
